

Sample Values List

Knowing your Values helps you understand what drives you – what you enjoy, what inspires you and what you would like more of. By building a life and lifestyle around your values, you create a life that is more satisfying and meaningful to you.

NB. Values change over time, and deepen as you understand yourself better – they are always moving. Your Values can also be situational - so what is true for you at work may not be true for you at home.

The Values "List" below is ONLY to give you some ideas of example or sample values. We are each unique, so there will undoubtedly be words that are missing from this list, and different words that sum up your values better. If so, feel free to add those words to the list below.
